Preparation for digital TestDaF

The Test of German as a Foreign Language is a standardised examination recognised by all universities in Germany as proof of linguistic study ability, which you may take at licensed test centres worldwide.

How is the new, digital TestDaF structured? What are the content and language requirements? What are the best solution strategies?

In our preparation course you will get to know the special features of the new, digital test format, practice working on the individual tasks and have the opportunity to take a model test under authentic conditions on your computer. - The course assumes knowledge at level C1.

TestDaF – Test Center

Sprachinstitut Kreuzberg Bonn has been a licensed test centre for the TestDaF since 2008. Since 2021 we exclusively offer the new digital TestDaF.

Information on exams dates and registration can be found at: www.testdaf.de
